

CRUISE with Xooma for 2020 Convention!

As a Xooma Member, you are invited to join us for an amazing, **all-inclusive 4-day Cruise Convention & Vacation**, May 21-25, 2020!

Here's what some people say...

"Business events are valuable and important for people's success and future growth." We agree, but who says they always have to be held at a hotel or at a convention center?

"Business events require serious focus and should not be treated like a vacation." We say, "Why not create an amazing vacation opportunity and combine it with a powerful business event?"

"Cruise vacations are expensive." The reality is a cruise offers the absolute BEST value for your money compared to almost any other type of vacation. AND it's a tax-deductible business expense.

This is an **official invitation** to join us for an amazing **all-inclusive 4-day Cruise Convention & Vacation** in May 2020 in the **Carnival Sunshine Cruise Ship!** That's right, your accommodations, meals, beverages, and on-board entertainment are all included in the price of your cruise ticket.
